How did you hear about us? _____

Once we receive this form, your lesson day and time will be confirmed with you. ***Once you have confirmed your date and time, we will process your registration.*** We ask that students be available for the same day and time each week. Rescheduling is up to the availability of the teacher(s) and we cannot guarantee that another time will be available.

Lessons are purchased monthly at the rate of \$180 (30 minute lesson), \$220 (45 minute lesson), or \$280 (1 hour lesson). The monthly rate includes 4 lessons. Weeks with more or less than 4 weeks will be prorated accordingly.

24 hour cancelation notice is required for all lessons otherwise the student forfeits the lesson. Missed lessons are only eligible to be made-up with the availability of the teacher. If the teacher is unable to make-up the lesson, you will be credited for the lesson on your next purchase. Regular cancelations may result in withdrawal from LAYD and forfeit of tuition.

60 minute lessons can be broken into two 30 minute lessons for two different students as long as the lessons are at the same location and are back to back.

We ask that all students give a 10 minute grace period for their lessons to allow for travel time. (For example, if your lesson is from 3:00 to 4:00, it may go 3:05 to 4:05 or 2:50 to 3:50.) If the teacher arrives at the student's house and no one answers the door, the teacher will wait 10 minutes after the scheduled lesson time. He then will leave and the student will forfeit that lesson.

Cancelation of enrollment in LESSONS AT YOUR DOOR requires a 2 week notice. No refunds are given on remaining lessons. Please send us a letter by mail or by email confirming cancelation.

By signing this form, I am acknowledging that I have thoroughly read this form and agree to abide by all the terms specified within. Withdrawal from lessons not in accordance with the terms outlined in the above referenced literature may result in forfeit of tuition.
